Eva Flaster gave a talk to the PHA East Valley Descendants' Forum at the EVJCC, entitled, "**Roots and Resilience.**" She shared her experience touring through Poland last summer. Eva has always wanted to know more about her ancestral history. Through genealogical research and her travel to Poland last summer, she has acquainted herself with the land that was home to many generations of her family.

Dr. Ettie Zilber, author of "**A Holocaust Memoir of Love and Resilience**" will speak about her personal connection to the Holocaust as a descendant of survivors and her experience with Jewish Communities in the Caribbean, on **Friday Feb 7, 6:30-7:30PM at AZ Jewish Historical Society.** To RSVP contact, **Jeffrey Schesno**, jschesno@azjhs.org
